## **“Grand Opening” is “Grand Success”**

What a WONDERFUL day last Sunday was! The excitement was *bubbling*, the singing was *edifying*, the fellowship was *uplifting*, and the auditorium was *BREATHTAKING!* The entire day was a blessing!

It was our “Grand Opening” for the NEW auditorium. The worship services were the best that I have seen in Llano! The passion echoing through the pews was prevalent! Sunday truly symbolized a “**New Beginning**” for the Llano Church of Christ!

Sunday was a very special day for many reasons. We had over 20 visitors! Our attendance was the *highest* it has been in the past **two years!** And Sunday was a particularly special day for Natalie and me, as it marked exactly one year since our “try-out” Sunday! Look how far we’ve come, and how much God has blessed us, since March 21st, 2009!

It’s vital for us to realize that our “Grand Opening” wouldn’t have been possible without the efforts of many. Our thanks go to **Weldon Osbourn**, who skillfully and beautifully built the new platform, and our thanks go to **Curtis Osbourn** for helping Weldon in the difficult task. Our thanks go to **Warren Groff, Travis Milhollon, and David Smith**, who tirelessly un-bolted, moved, re-bolted, and angled the cumbersome pews, and our thanks go to the “trio” for hanging the blinds! Our thanks go to **David Smith** for laying all of the stone on the baptistery and platform! Our thanks go to **Dan Eaton** for the “touch ups” around the auditorium! Our thanks go to **Dianne Eaton** and **Natalie Hawk** for their wonderful painting! And finally, thank you to **everyone** for your flexibility with the inconvenience of building renovation!

Many churches every year will “renovate” their buildings. Large churches will contract with several companies to complete the project. But there is something *powerful* in a church that relies on its own flock for renovation! The result of our labor is a living testimony for the *strength* of a church who works together! Thank you God, for the Llano Church of Christ!
