## MEN'S BUSINESS MEETING, 2 JANUARY 2011

Attending: Gary, Curtis, Dennis, Warren, Travis, Jacob, Dan, Mike, David

The meeting opened with a prayer session and then Dennis went over the revised budget for 2011 and explained where the elders have recommended reductions. The revision of the budget is necessary since the estimated contributions for 2011, based on the amount pledged by the membership, will not support the budget as originally presented. He said we may have to ask individuals for special contributions during the year to help fund ministries in which they have special interests. He also said that in lieu of a gospel meeting, we may institute service projects along the order of "Monday Night for the Master" which will have little or no cost involved.

In pantry news, Warren and Travis reported they had fifteen clients last week instead of the usual thirty or more. This decrease may be due to the holidays or perhaps a sign that the local economy is improving. In December the pantry served 138 families consisting of 410 individuals. Of the 138, twelve were new clients. Due to the reduction in the pantry budget, Travis and Warren are planning to reduce the number of days per month that the pantry will be open from four Thursdays to two Thursdays per month. They will schedule the days open for the weeks the community's pantry will be closed. Dennis expressed the congregation's sincere appreciation to Warren and Travis and several others for their many hours of hard work and service in the operation of the pantry.

Mike reported on World Bible School and stated that we may need to have a work session in the near future to process new student lessons, however, his teen Bible class may be able to handle the job. Mike also said that WBS needs a secretary to coordinate the program. Shirley had planned to do this but is just not going to have the time to devote to it.

The meeting was adjourned with a prayer led by David.
